Daily **Victory!**  
Camp update from  
"SCORCH" the  
soccer ball

Think of a soccer wall getting divided and you get an easy way to score. That's the way it is with our God. When facing something we can't overcome, he finds a way according to his plan and for our good. Often it is not what we imagined.

**Scripture:** Exodus 14 & 15 (*try the water and pepper on a plate with dish soap on your finger pastor talked about*)

**Bible Truth:** Being between a rock and a hard place means everything is too hard for us. If God can split the sea he can reach and help you. The best way he already has is in Jesus Christ. Bigger than getting people to safe land is getting to heaven!

**Prayer:** Lord, when we don't know where to go or what to do, you will provide a way. You have already given us eternal life in heaven through Jesus Christ our Savior. Help us to always look to and trust in you. Amen.

**SOCCER CAMP BBQ!** I will be providing burgers, hot dogs, chips and all the fixings as we celebrate a **GREAT** soccer camp week!
