Daily **Victory!** Update  
Tomorrow:  
**FUN FRIDAY!!!!**

A goalie dives in the final seconds of the game...reaching as far as he can and makes the save! That's the way it is with God. When we are about to lose...even if it's in the final seconds, God has proven that he saves us. He already has done this through Jesus. And he will help us now.

**Scripture:** Matthew 14 (*have your child tell you this story...look at the picture below*)

**Bible Truth:** A lot of things make us afraid in life. Often we experience hard things that are like a storm. Jesus is bigger than every storm and all of our fears. Just like Peter, he reaches us and controls the storms in our life. And, his Word is powerful to calm our hearts!

**Prayer:** Lord God, whenever we find ourselves in the storms of life, calm our hearts. Reach out to us by your Word and remind us that you have rescued us through our Savior Jesus. Amen.
