Daily **Victory!** Update  
SUNDAY @ 10:00a  
**CAMP AWARDS &  
COOKOUT**

In overtime of a soccer match, a player breaks loose and scores the game-winning goal! He is the hero for the whole team. And that’s very much like our Savior! Although we would be lost and struggling in this world, Jesus came and rescued us! **Victory!**

**Scripture:** John 19-20 *(draw a picture of how Jesus has secured a ‘forever’ victory)*

**Bible Truth:** When something is done, there’s no going back and doing it again. You can’t go back and redo yesterday. You can’t fix the problems in your life. When Jesus said, “It is finished”...it means he finished it all for you. That gives us great comfort. That’s what makes Jesus the Savior.

**Prayer:** Lord Jesus, you paid for my sins and took away my guilt. You rose from the grave to give me eternal life. You have done this for me because of your great love. Amen.
