

# CONNECT GROUPS

SERVE • GROW • IMPACT...UP CLOSE

*Spring 2024 Connect Groups*

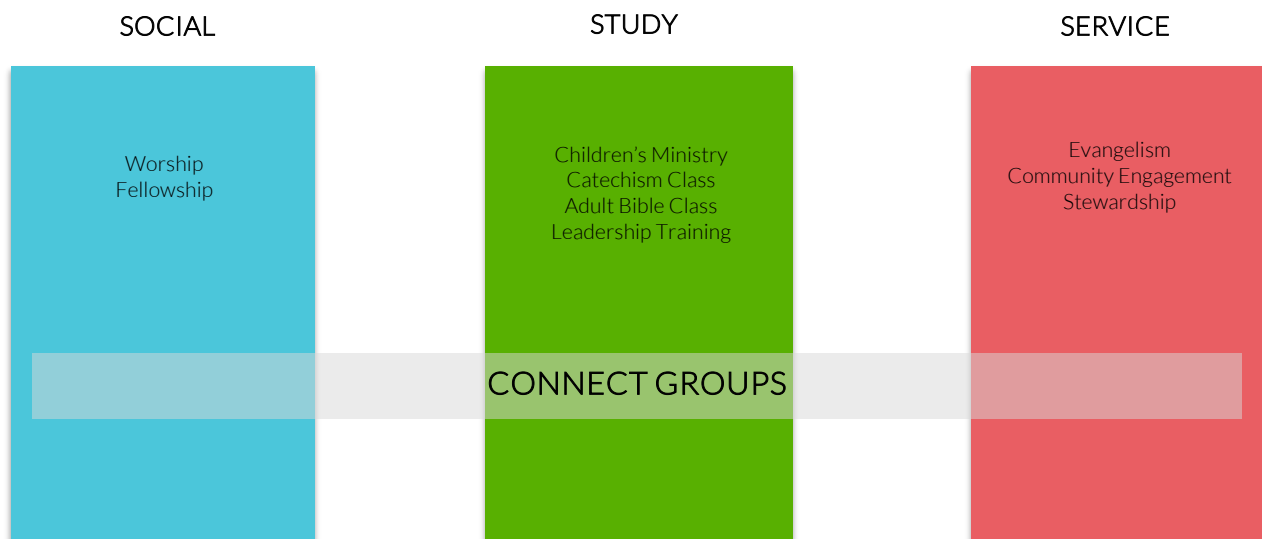

If you plan on attending one or more of these Connect Groups...it is important that you sign up at [risensaviorgeorgia.com/connect-groups](https://risensaviorgeorgia.com/connect-groups).

God did not design us to face life on our own. Instead, he intended for believers to be woven together in a community so that they might encourage one another as together they walk the often-difficult path of life. Consider these words of direction from Scripture, intended for all Christians:

- ◆ Be devoted to one another in love. – Romans 12:10
- ◆ Encourage one another and build each other up. – 1 Thessalonians 5:11
- ◆ Let us consider how we may spur one another on toward love and good deeds. – Hebrews 10:24
- ◆ Offer hospitality to one another. – 1 Peter 4:9

Connect Groups are intended to bring the members of our church family together to do those very things. Their purpose is to knit Christians together in community that they might share each other's joys and burdens, help each other in time of need, and support each other in their spiritual life.

At Risen Savior, our mission is "to make Christ and the power of his resurrection known in this messy world". We divide that mission into three areas: connect (social), grow (study), and impact (service). Connect Groups are not a mission in and of themselves. Rather they are a strategy for helping us carry out all three areas of our mission.

It is also important for you to act quickly if you see a Growth Group that you like. We will cap our Growth Groups at 10-12 people. (Social Groups and Service Groups may be larger.) Good discussion is difficult if Growth Groups get too large.

May God bless you as you connect to Christ and to each other!

- Coordinator:** Gregory Lucas 912.659.7150  
gplucas7@gmail.com
- Intended for:** Adults who want to improve how they deal with conflict and parents who want to help teach their children to respond to conflict in a God pleasing way.
- The pitch:** The study material is only 32 pages and simple to understand. The difficult part will be putting it into practice in your daily lives. Just following Easter, we will examine how we were reconciled to God through Jesus, and how we can be motivated by the love of God, also seek to reconcile with those we are in conflict with, regardless of fault. Even as reconciled children of God we still wrestle with our sins and conflict against God and our neighbor (family, friends, strangers, and even with our fellow church members). We should not be surprised when conflict happens but be prepared! We should be ready to respond to any conflict, small or large, in a God pleasing way as His children. When we through the strength God's Word provides react to conflict in a God pleasing way vs. a worldly way, we are witnessing the love of God in a way that not only heals our relationships but also might prompt someone who doesn't know Jesus to ask why you acted differently. Then we should also be prepared to give an answer as it says in 1 Peter 3:15.

gplucas7@gmail.com

**Intended for:** For those who serve, or would like to serve as ushers and greeters

We will discuss how to care for everyone who shows up on Sunday. Such as the fellow member who has their hands full with the food for after worship Bible study, or the first-time guest who might also be in Church for the first time ever. Letting them know where the restroom is or handing them a coloring activity bag for their small children and introducing them to other children. Knowing where the first-aid kit is or how to help if the fire alarm goes off, or the power goes out.

There are many useful suggestions for each role of greeter and usher, and we will also be able to share experiences and useful tips of our own. All this with the goal of connecting and keeping the focus on Jesus and loving and supporting one another in the body of Christ.
